# NLP INTRODUCTORY DAY

A Neuro Linguistic Programming (NLP) Introductory day is a one-day course designed to give you the best possible introduction to NLP. This course is ideal for those who want to gain an insight in to the world of NLP.

## Why would you want to attend course?

- To communicate more effectively with people
- Improve your presentation and speaking skills
- Create more value for your clients
- Increase sales
- Improve team performance
- Improve influence with key people in your life
- Develop an understanding of NLP
- Learn how to goal set with real effectiveness

## What is an NLP Introductory Day?

NLP techniques have been developed over many years. The NLP Introductory Day is designed to enhance your understanding and application of NLP techniques in a structured and user-friendly format.

An NLP Introductory Day is an introduction programme like no other. You will learn and gain an understanding of NLP on this one-day course and we also cover elements of NLP in Business, which will provide Management development in the workplace.

Prior to the course, delegates will receive a pre-event information email. This allows delegates to prepare for the day and to make sure they have the best experience possible.

---
