

Neuro linguistic programming Practitioner Training

A practical guide

SEVEN-DAY NLP PRACTITIONER TRAINING

A Neuro Linguistic Programming (NLP) Practitioner Course is a seven day course designed to give you the best experience of NLP and the most amazing personal development experience!iv

Why would you want to attend course?

- To learn to be able to positively influence anyone
- To be able to find the right emotional state for you whatever the circumstances
- To become a certified NLP Practitioner
- To improve your career prospects
- To take a step towards a career in coaching, therapy and consultancy
- To gain clarity on both your future and what really is standing in your way
- To learn to help others effortlessly through your use of language

What is an NLP Practitioner Course?

NLP techniques have been developed over many years. The NLP Practitioner Course is designed to enhance your understanding and application of NLP techniques in a structured and user-friendly format.

You will learn and grow throughout this informative, practical and fun course. The course also covers elements of NLP in Business, which provides opportunity for management development in the workplace

You will also achieve certification approved by the American Board of Neuro Linguistic Programming (ABNLP) and be a qualified NLP Practitioner. Prior to the course, delegates will receive a pre-study information manual. This allows delegates to prepare for the course and to make sure they have the best experience possible. Before, during and after the course you will have access to Trainer(s) who will be able to answer any questions.

This course can benefit anyone who wants to be motivated, to develop, have total belief in themselves and push their results forward. Whatever result you set out to achieve will be what you get!

What can I expect to learn?

On the NLP practitioner Course you will...

- Learn how to build rapport with anyone
- Learn how to improve your observation skills
- Learn predicate language and the ability to spot and utilise different communication styles
- Learn Milton Model language the basis of Hypnosis
- Learn how to help people overcome internal conflict
- Learn how to anchor positive emotions for yourself and others
- Learn how to structure presentations to engage all learning styles
- Learn to use metaphor and improve speaking skills
- Let go of negative emotion from past events and help others do the same
- Develop relationships with your co-delegates which can last a lifetime
- Become a certified NLP practitioner through the ABNLP
- Share in a transformative week which enhances your clarity of direction, confidence and crucially the skills which really make a difference to your performance.
